(please note any changes on the back of this form)

The price of each display ad includes the use of full-color. The purchase of a display ad and/or listing includes a locator on the map. Advertising rates include basic graphic production of ads. This does not include photography and custom graphics (creating logos, drawings, photo retouching and detailed maps).

Would you like to enhance your Brochure Listing?

Adding a picture or logo for 1/4 or 1/8 page orders may be attractive to you. In some cases, someone may want to add 25-words to their brochure listing (*think second listing*).

Please call if you have any questions.
